KNOW YOUR COMMUNITY

Crown Point, Indiana
1981

The League of Women Voters of Crown Point is pleased to present "Know Your Community." The League of Women Voters is a non-partisan organization whose purpose is to encourage the informed and active participation of all citizens in government and politics. We provide non-partisan information about candidates and issues, and we study and act on specific subjects of public concern. The league neither supports nor opposes any candidate for office or any political party.

Voting membership in the league is open to citizens who are at least 18 years of age. We function on local, county, state and national levels and each member has a voice in all activities.

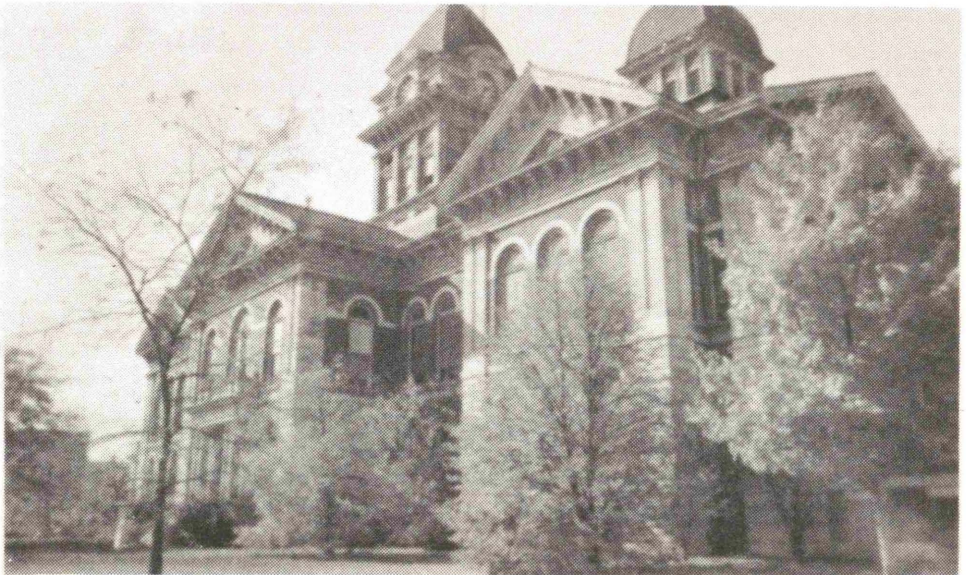

About three-fourths of the income of the Crown Point League comes from sales of this City Directory, which we publish every two years as a community service. The remainder of our income is derived from membership dues and contributions.

Only two factors are common to League of Women Voters' members: an interest in good government and a willingness to give available time to achieve that goal. We key our activities to member participation, but each member chooses the extent of her involvement in LWV work. You may join the LWV by contacting any of the following officers:

President: Gretchen Stanol
First Vice-President: Judith Lunn
Second Vice-President: Lee Kramer
Secretary: Irene Tuckey
Treasurer: Betty Terwilliger

The Old Homestead

The Old Homestead at 227 S. Court Street was built in 1847 and willed to the city with the understanding that it be open to the public. Period furnishings plus its quaint clapboard exterior gained it mention in a national listing of historic homes. It is the oldest home in Lake County. Open by appointment by calling 663-0590.

A BRIEF HISTORY OF CROWN POINT

In 1828 the territory that would become Lake County was obtained by treaty from the Pottawatomie Indians. Soon after this, Solon Robinson arrived from Jennings County, Indiana, settled, and built a log house on the site of the present Board of Education Building. Harriet Warner Holton conducted the first school, with three pupils, in her home near the present site of the Station Gallery.

In 1837, Lake County became an independent county. A log courthouse was built. Crown Point was named to honor Solon Robinson. Methodist and Presbyterian churches were built on land donated by him. The Crown Point Register began publication. Fancher Lake and forty acres surrounding it were acquired by the county, marking the beginnings of the Lake County Fairgrounds. Finally, in 1868, Crown Point was incorporated into a town, populated mainly by immigrants from Ohio and the east and citizens of German descent.

In the mid-nineteenth century, the First National Bank was organized and was for ten years the only bank in the county. John Wheeler purchased the Lowell Star and began publishing it under its new name, the Lake County Star. And in 1878, the cornerstone was laid for the old Lake County Courthouse on the square.

From about 1916 to 1930, Crown Point gained notoriety as a 'marriage mill' because requirements concerning the performance of marriage ceremonies were less rigid than in most places. Local justices of the peace married thousands, including Rudolph Valentino, Colleen Moore and Red Grange.

In 1934, Crown Point celebrated its centennial, but the item that earned the city nationwide newspaper headlines was the successful escape of John Dillinger from the Lake County jail.

In the last forty years, Crown Point has shared the growth of the Calumet region. As increase in population has, of course, led to an increase in activities, facilities and services. In 1966, a ten acre tract of parkland was donated to the city and became Sauerman's Woods. A swimming pool was built in the '60's. In 1967, the county's oldest home, the "Old Homestead", became a museum. St. Anthony's Hospital, Crown Point's first, opened in 1974. The Southlake YMCA is now located in the city and offers a multitude of programs to area residents of all ages. Crown Point has also grown commercially in recent years, though it remains primarily a 'bedroom community' to the heavily industrialized northern part of the county. In 1974 the courthouse on the square was vacated as the county offices moved to spacious new headquarters in the northern part of the city. The Lake Courthouse Foundation, comprised of citizens from all parts of Lake County, has undertaken the funding of the restoration of the old courthouse. It is anticipated that this area landmark will house the Lake County Historical Museum and various commercial enterprises to help support the cultural attractions. These plans perhaps keynote the changes Crown Point undergoes as it grows, balancing the merits of commercial expansion with the respect for tradition that life in a small town can illustrate so well.

CENTER TOWNSHIP

Center Township consists of 42 square miles. This includes the portion of the City of Crown Point south of 101st Avenue and the east half of the Town of Cedar Lake between 101st and 149th Avenues. Population is approximately 23,501. The assessed valuation of the total township is \$46,820,510, the assessed valuation of the unincorporated area is \$20,806,390 and the assessed valuation of the Cedar Lake area is \$7,558,260. The tax rate is \$9.13 per \$100 in the unincorporated area, \$11.75 per \$100 in the Cedar Lake area, and \$12.07 per \$100 in Crown Point.

Center Township has a trustee and advisory board form of government. Elections are held every four years with 1980 the election year.

The duties of the Township Trustee are to keep records of all official proceedings, to receive and pay out all monies belonging to the township, to care for and manage all township property, and to be responsible for fire protection. In addition, the Township Trustee is the overseer of the poor, providing emergency, temporary assistance for medical, food, utilities, etc. He assists recipients to find a program that will benefit and prepare them for a more useful and secure future.

The duties of the Township Advisory Board, with three members, are to advise the Trustee, elect its officers, examine and approve the Trustee's budget, keep records of business transactions, and make additional transactions.

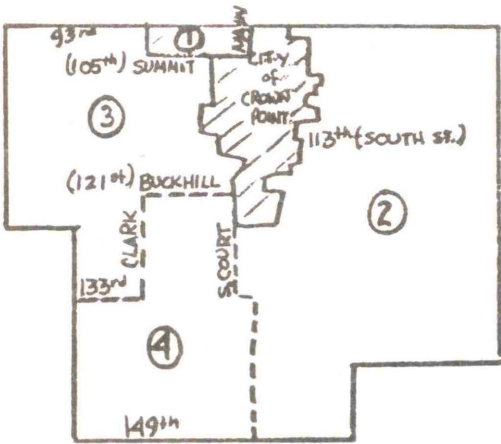

The following services are provided by the township:

- 1.) County Police
- 2.) Fire protection by contract with the City of Crown Point for payment of the men with equipment being financed by the township.
- 3.) Ambulance service by contract with Crown Point City. The Township is not mandated to furnish ambulance service but is the only government agency that has the authority to contract and pay for such service with the exception of the county.
- 4.) The Assessor places assessed value on taxable property and collects dog tax.

CROWN POINT COMMUNITY SCHOOL CORPORATION

The Crown Point Community School Corporation includes six elementary schools, one junior high school and one senior high school with a total enrollment of 5,799 students. Two private schools in Crown Point, St. Mary and Trinity Lutheran enroll an additional 540 students.

Crown Point High School is accredited by the North Central Association for Schools and Colleges and by the Indiana State Department of Public Instruction.

The average cost of educating each student in the Crown Point School System is \$1,458 as compared to the national average of \$1,930 per student.

The gross budget of the Crown Point Community School Corporation is approximately \$10,800,000. Local taxes provide 29.58% of the income, county taxes provide 3.58%, the state of Indiana provides 29.58% and .57% is provided by other sources.

The school corporation operates 38 school buses over 69 daily routes, transporting 60% of the student population. The annual cost for transportation is approximately \$700,000.

There are 290 instructional personnel in the school corporation and approximately 160 in various supportive services for a total of approximately 450 staff members.

The offices of the Crown Point Community School Corporation is presently located at 105 North Court Street. Work has commenced remodeling the old Timothy Ball Elementary School building at 200 East North Street for a new Administrative Service Center. This project will be completed early in 1981. The telephone number is 663-3371.

The Board of School Trustees regular meeting date is scheduled for the fourth Monday of each month at 7:30 p.m. in the Board of Education Building. The public is invited to attend.

Crown Point - Center Public Library

CROWN POINT-CENTER PUBLIC LIBRARY

214 South Court Street
663-0270

The Crown Point-Center Public Library was constructed in 1972 at a cost of approximately a half-million dollars. Designed by Donald W. Nolan, architect, and Robert G. Clark, associate, the library was built by the F.W. Bieker Construction Company.

The facility signifies an important step forward in the cultural growth of the community and offers for the first time full library service to its patrons.

A total of 52,000 books, 2500 phonograph records, 200 fine art reproductions and a collection of 300 8 mm. films is available. A variety of other services offered include reference services from the Lake County Central Library System and cooperative borrowing with 6 public libraries in Lake County, and 50 cooperating libraries in North West Indiana.

Eight meeting rooms of the Carnegie Center of the Crown Point-Center Public Library provide an opportunity for bringing together the resources of the library and the cultural, recreational and educational activities of our community. Rooms are available for public meetings. Persons desiring to use the services of the Carnegie Center can call 663-0270 or 663-9860.

CENTRAL LIBRARY-LAKE COUNTY PUBLIC LIBRARY

The Central Library is the main library in the Lake County Public Library System. It provides full service to residents of Crown Point and Lowell by terms of a contractual agreement signed by all three library boards.

The system has branches in 13 communities with the Central Library at 1919 West Lincoln Highway (U.S. 30) in Merrillville. The system is spread throughout the middle portion of Lake County from Illinois state line to the western boundary of Porter County. The Lake County system has a collection of 412,000 books, 12,000 phonograph records, 1,000 films, 176 art reproductions, and 1,300 periodicals.

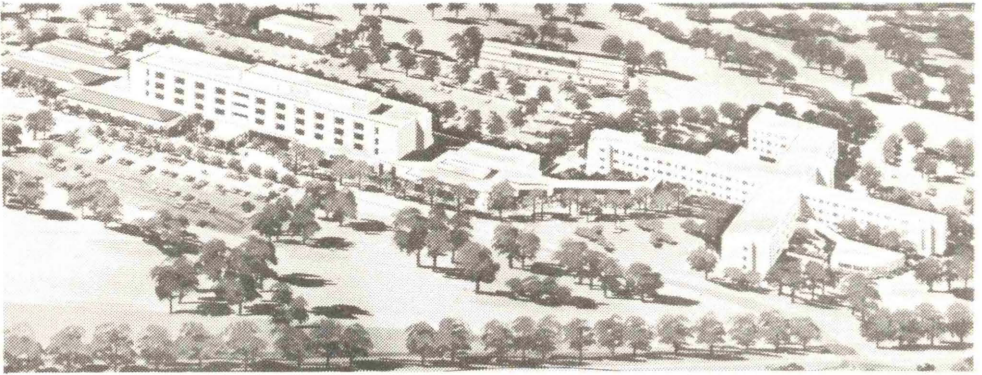

The Central Library has a collection of 20,000 non-circulating reference books and 107,000 circulating fiction and non-fiction books. Also housed there are pamphlet files, microfilms, magazines, newspapers, photocopiers, and a large Indiana collection.

Material on almost any subject is available. If the information needed can't be found locally, the trained reference staff will contact the outside source best able to satisfy the inquiry. A teletypewriter exchange (TWX) keeps the library in contact with the Indiana State Library, colleges, universities, and medical schools in the state. A telephone reference service is another fast method of getting information. A patron may call the library with a question and the public services librarians will either answer him immediately or return the call as soon as they can fill the request.

A cardholder of the Crown Point-Center Library may charge out the circulating books from any of the 14 libraries in the Lake County Public Library System. He may either come to the library or call to reserve a book and have it sent to his library. He may return the book to the Crown Point-Center Library if it is more convenient as it will be taken from there to the Central Library by daily courier.

Audio-visual Services, on the lower level of the Central Library, loans films and records to patrons of Crown Point and Lowell as well as those in its own area. The service, with 1200 films in 8mm., 16mm., and filmstrips, is available to all patrons 18 years and older. The films may be reserved by coming to the Audio-Visual Services at the Central Library or by calling them to have the film sent to the Crown Point-Center Public Library. Three days notice is required to obtain films by the latter method. Records of all types of music as well as languages, dance lessons, etc. may be borrowed for two weeks with no renewals.

The Central Library is open seven days a week during the school year and Monday through Saturday in the summer. Hours are 9:00 to 9:00 Monday through Friday, 9:00 to 5:00 Saturday, and 1:00 to 5:00 Sunday. Telephone numbers are 663-8350, 769-3541 and 374-9563.

THE NATIONAL PARK SYSTEM OF THE UNITED STATES

Source: National Park Service

The National Park System of the United States is administered by the National Park Service, a bureau of the Department of the Interior. Started with the establishment of Yellowstone National Park in 1872, the system includes not only the most extraordinary and

spectacular scenic exhibits in the United States but also a large number of sites distinguished either for their historic or prehistoric importance or scientific interest, or for their superior recreational assets. The number and extent of the various park areas as of 1973 are as follows:

Name and location	Year established	Acreage	Outstanding characteristics
Acadia (Maine)	1919	41,651	Rugged seashore on Mt. Desert Island and adjacent mainland
Arches (Utah)	1971	73,388	Unusual stone arches, windows, pedestals caused by erosion
Big Bend (Texas)	1935	708,118	Mountains and desert bordering the Rio Grande
Bryce Canyon (Utah)	1924	36,033	Area of grotesque eroded rocks brilliantly colored
Canyonlands (Utah)	1964	344,481	Colorful wilderness with impressive canyons, spires, arches
Capitol Reef (Utah)	1971	241,865	Colored sedimentary rock formations in high, narrow gorges
Carlsbad Caverns (N. Mex.)	1930	46,755	The world's largest known caves; spectacular flight of bats
Crater Lake (Oregon)	1902	160,290	Deep blue lake in heart of inactive volcano
Everglades (Florida)	1934	1,400,533	Subtropical area with abundant bird and animal life
Glacier (Montana)	1910	1,013,276	Rocky Mountain scenery with many glaciers and lakes
Grand Canyon (Arizona)	1919	673,561	Mile-deep gorge, 4 to 18 miles wide, 217 miles long (105 in park)
Grand Teton (Wyoming)	1929	310,462	Picturesque range of high mountain peaks
Great Smoky Mts. (N. C.-Tenn.)	1926	516,859	Highest mountain range east of Black Hills; luxuriant plant life
